July 3, 2008

To all past participants and prospective participants of KickMS:

We appreciate your past participation or expressed interest in Kick MS. We are very proud of the tournament that we have created over the last 9 years. This event could not be the same without the great people that compete, contribute, and volunteer every year to make this event happen.

This year, due to a variety of circumstances, we will be postponing the tournament until next year. We regret any inconvenience this may have caused, but feel strongly that this is in the best interest of the tournament and everyone involved.

For anyone who has already registered for this year's event, a refund will be issued back to the same credit card you made your original registration transaction with. This credit will happen the week of July 7th.

If you have any questions –please feel free to eMail the committee at info@kickms.org

As always, we appreciate your involvement in helping us fight the devastating effects of MS.

Thank you again, and we look forward to your continued support.

Sincerely,

Christopher A. Fischer
Kick MS Committee Chair
